

MNDecormed tiene el gusto de presentarle como primicia exclusiva, aprovechando su dilatada experiencia e implantación en el sector del cortinaje, su nuevo CATÁLOGO DE POSIBILIDADES CREATIVAS.

El mismo es la consecuencia de un extenso trabajo de investigación sobre los materiales más adecuados para fabricar galerías, enrollables y paneles japoneses que, sin perder sus cualidades de textura o color, admiten personalización impresa individualizada.

Por ello el presente catálogo ha de tomarse como un punto de partida para el desarrollo creativo que permita ofrecer a nuestros clientes un producto personalizado y exclusivo.

Las posibilidades son ilimitadas, pudiendo utilizar tanto los diseños mostrados en las páginas siguientes como los que nuestro cliente nos proponga a su propio gusto y criterio, así como sus propias fotografías e imágenes.

Un mundo de posibilidades creativas para la satisfacción y fidelización de sus clientes se abre ante nosotros.
